### RACE ROUND UP ETC

We had a great showing at the MK Handicap yesterday with a total of six girls racing - how cool is that?! Congrats go to Marcie for coming 4th and to Lesley, Rachel and Jess for putting in a great performance. Helen H punctured and Helen G got asthma and both pulled out.

We also had a fantastic showing at coppers today - well done everybody - and special mention goes to Rachel (28.39), Marcie (29.29) and Lesley (29.39) who placed first, second, and third respectively. Nice work!

Thanks to:

Marcie for organising transport to MK races

Katie for all her organising socials etc

### MTB BLUES STATUS

Men now have blues status. Helen Please can you ask for a blues meeting where we will apply for womens mtb blues status.

We need to make proposal – early next term to meet and discuss. Marcie, Helen H, Helen G? Would be great to have as many girls as possible to discuss what we will put in our application.

### SPONSORSHIP - THE SAGA

Atalanta's – doh! Unfortunately instead of being the 500 GBP that we were lead to believe, it turned out to be for 200 GBP.

Mr Anonymous came to the rescue and gave us 500 GBP to be spent on team entry fees and transport if there is any left over - wayhay!!!

So we are even better off than we were when we started :-)

### BC MEMBERSHIP AND RACE LICENCE

Over to Danny: Discuss any outstanding questions that people have and that people have licences etc
